

## The Radian Apartments Move-In Parking

There will be no parking at The Radian Apartments during the 2010 Move-In week. There will be a 15-minute unloading zone in front of the building on Walnut, after which your car must be moved. We know that parking is limited in our location and would like to provide you with a few options.

### 1. **Plan Ahead, Send Ahead!**

We strongly recommend that you ship the majority of your belongings ahead of time. We will accept packages between Monday, August 23rd and Friday, August 27th. As a courtesy to our residents, any packages received between August 23-27 will be delivered directly to your room. By sending your packages prior to move-in you eliminate the need to go through the unloading zone at the property. This will expedite your move-in by allowing you to collect your keys and navigate the building much more efficiently.

### 2. **Try Your Hotel!**

Many hotels in our area offer guest parking. If you are staying in a hotel check with your hotel to see if they offer guest parking. Spaces may be limited so call ahead or ask about reserving a space when you book your reservation. We believe this will be the easiest and most efficient place to park after unloading at The Radian.

### 3. **Try a Public or Private Lot!**

Available Parking spaces in Public or Private Lots are few and far between. During Move-In week the city will have an increased demand for Parking and that will make spaces difficult to find.

If one of the two options above does not work for you, please review the list below of Public or Private Ramps within close proximity to The Radian.

***\*Remember that these spaces will go quick. You may find that it is easier to park further away and use public transportation or cab service to return to The Radian.***
